

## CAN YOU HELP?

### FOODSTORE VOLUNTEERS

We are looking for people to join our pool of volunteers helping to put food donations into stock at our store on the Churchill estate in Helensburgh. We currently do this two mornings a week – Thursday and Friday, between 9:30 and 12:30.

You need to be reasonably strong and fit (to lift heavy crates of tinned food), and you need to like counting, adding up, and arranging neatly on shelves! We work in teams of up to (max.) four – it's hard work, but rewarding.

We are looking for people who can commit regularly, but as the amount of work can vary, we are also looking for those who can fill in occasionally.

### FOODSTORE ADMINISTRATOR

We are also looking for a stock-administrator, or co-administrator. Someone who is comfortable with spreadsheets, but is also happy to lift and stack crates of food, to help the volunteer teams on Thursdays and Fridays, and help make decisions month by month on what food is going out, and how to keep our stock levels just right.

You would need to be able to work flexibly over different days of the week, and occasionally at weekends, to fit in with the weekly foodbank timetable.

The role is key to the successful operation of the foodbank: the right person might have retail or wholesale experience, or a background in book-keeping or accountancy – but if you have none of those, but think you are able to acquire those skills, please get in touch.
